

We are thrilled to invite
your organization to
become a sponsor of the
highly anticipated

2026

UCF LUNABOTICS CHALLENGE

Hosted in UCF Florida Space Institute's Exolith Lab® Regolith Bin from **May 12th - May 17th**

**Take part in the future of
robotics on lunar surface!**

The NASA Lunabotics Challenge is a cutting-edge event that brings together talented student teams of innovators, engineers, and scientists from across the country. Their mission? To create and deploy robots capable of utilizing lunar regolith in a simulated lunar environment.

So, why sponsor?

As a sponsor, your company will have a unique opportunity to align with the forefront of technological innovations, space exploration, and sustainability efforts. With your support, these brilliant students will be equipped with the necessary resources to bring their visions to life, furthering the advancement of space science and engineering.
